PROFILE

Innovative and highly motivated Full Stack Developer with a strong foundation in both front-end and back-end technologies. Proficient in building dynamic, responsive web applications using modern frameworks and tools. Adept at collaborating within team environments, eager to contribute to project success and learn new technologies. Committed to writing efficient code and continuously enhancing development skills.

WORK EXPERIENCE

UPFLAIRS PVT LTD

NOV 2023 - PRESENT

Full Stack Web Development Intern

- Developed and deployed a responsive web application using React.js for front-end and Node.js for back-end, improving user engagement by 20%.
- Collaborated with a team of developers to design and implement a MongoDB database, optimizing data retrieval and storage processes.
- Responsive Design: Developed responsive and user-friendly interfaces using HTML5, CSS3, and JavaScript frameworks. Ensured cross-browser compatibility and mobile optimization.
- API Integration and Development: Created and integrated RESTful and GraphQL APIs to facilitate seamless communication between front-end and back-end systems, enhancing functionality and user experience.
